INT. BLANK WHITE SPACE - DAY

A female UTE FAN, MUSS style and sporting a Ute T-shirt, stands next to a framed picture of a male COUGAR FAN, adorned with his own blue colors and face insignias. The picture sits upright atop a simple table. The scene mimics the "I'm a Mac, I'm a PC guy" advertisement--minimal, pure white background.

UTE FAN
Hi, I'm a Ute.

The Ute fan waves and smiles sweetly, looking straight at the camera.

She pauses, then looks over waiting for the Cougar Fan to introduce himself, but he's only a picture.

UTE FAN (CONT'D)
Oh--he's a cougar.

She interjects for him.

UTE FAN (CONT'D)
Cougar's busy with a new plan in
his quest to win games...

The Ute fan covers the Cougar side of her face like she's telling a secret to the audience (or like "I can't believe he's being so stupid again").

UTE FAN (CONT'D)
...He has recruited a REAL cougar
to help his team.

A cougar GROWLS off screen, SNARLING, the Cougar fan WHIMPERING maybe.

COUGAR FAN (O.S.)
Nice kitty...

More SNARLING from off screen.

COUGAR FAN (O.S.)
...You said it was tame.

The Ute fan raises her eyebrows and looks off screen toward the sound.

The cougar GROWLS louder.

The Ute fan shrugs.

(CONTINUED)

UTE FAN
He certainly deserves an A for
effort.

Clothes RIP, fierce SNARLS, and the Cougar fan SCREAMS.

The Ute fan, looking uncomfortable, tilts her head back and up as if talking to someone off camera, and then points toward the noise.

UTE FAN (CONT'D)
...Does anyone have a tourniquet?
(beat)
...Anyone?...

The Ute Fan exits off screen to avoid the mess.

[[ABOVE DOESN'T WORK!!!!, let's try this]]

Blood splatters across the picture of the Cougar fan.

UTE FAN (CONT'D)
...Is there a Dr. in the house? --
Is anyone a Dr.? Anyone?...

She clasps her hands over her face in horror.

UTE FAN (CONT'D)
... Hey!! Someone call 911! --
Hurry!!

She runs off screen for help amid more cougar GROWLS.

The Cougar fan runs across screen flailing hands through the air and bleeding.
