

This sheet is to be used as an "order" form for your materials. You must have determined how much of each supply you need for your design and have it listed on this sheet before materials will be issued to you. You will also use this sheet to track the total cost of your prosthetic arm design.

	Unit Cost	Units	Max Number available	Total needed	Total cost
1 in diameter PVC piping	\$0.03	in	12		0
3 in diameter PVC pipe	\$0.13	in	12		0
4 in diameter PVC piping	\$0.18	in	12		0
one prong screw hook	\$0.78	item	1		0
two prong screw hook	\$0.94	item	1		0
